BUILDING TOMORROW, TODAY

QASSIM ALI ABDUL KARIM

Chairman

I feel extremely proud to introduce my company to you as one of the experienced organization in the field of Contracting & Engineering. We have year's long experience in the public and private sectors. Every project we have completed is a success story which has resulted in remarkable milestones and a presentable icon. Throughout our history we have successfully faced and surpassed the challenges in our industry in meeting the specifications our valued customers. Our skilled engineers are committed to provide end to end solutions to our clients, regardless of its complexity, size or location. To support our on-going projects and customers we have established offices in Jazan, Jubail, Qatif & Khobar. Our ever expanding network is soon to include Riyadh and Jeddah soon. But we have the capability to take projects all over the Kingdom. Our creative approach and experience ensures customers satisfaction for on-time completion, quality and durability. Our human resource, latest equipment and experience are our most important assets. We are proud of our assets which allow us to offer outstanding services to our valued customers. AGE is a fully Saudi owned company, registered under the commercial regulations of the Kingdom of Saudi Arabia

Welcome to Qassim Ali Abdul Karim Abu Abdullah Contracting Est., where excellence in contracting meets unmatched experience and dedication. With over 20 years of industry expertise, we have established ourselves as a trusted leader in the field, providing comprehensive contracting solutions to clients across various sectors.

At Qassim Ali Abdul Karim Abu Abdullah Contracting Est., our commitment to excellence is unwavering. We pride ourselves on delivering top-notch services tailored to the unique needs of each project. With a focus on quality, safety, and client satisfaction, we strive to exceed expectations in every endeavor.

SERVICE DESCRIPTION

- ❑ **Construction:** Our expertise in construction encompasses a wide range of projects, from residential buildings to commercial complexes and industrial facilities. We ensure timely completion, adherence to safety standards, and superior craftsmanship in every project we undertake.
- ❑ **Repair:** From minor repairs to major renovations, we offer comprehensive repair services to restore the functionality and aesthetics of buildings and structures. Our skilled team utilizes advanced techniques and high-quality materials to deliver lasting results.
- ❑ **Civil Engineering:** We excel in civil engineering projects, including road construction, infrastructure development, and site preparation. Our meticulous planning, precise execution, and attention to detail enable us to meet the diverse needs of our clients effectively.
- ❑ **Mechanical Services:** Whether it's HVAC systems, plumbing, or mechanical installations, we provide expert mechanical services tailored to the specific requirements of each project. Our focus on efficiency and sustainability ensures optimal performance and cost-effectiveness.
- ❑ **Electrical Solutions:** Our electrical services cover installation, maintenance, and repair of electrical systems for residential, commercial, and industrial applications. With a strong emphasis on safety and reliability, we deliver solutions that meet the highest standards of quality and compliance.
- ❑ **Welding:** We offer professional welding services for various metal fabrication projects, including structural steel, pipelines, and machinery. Our certified welders employ advanced techniques and equipment to deliver precise, durable welds that withstand the test of time.
